

# Happy Hoppers "Proposed" Caravan Schedule 2021-2022

This Schedule has been sent to the other clubs for verification of a couple of items: will they be dancing and are the dates satisfactory? As we all know, the Covid shut downs for our state has drug on and things are unsure of the future dance schedules and many callers have retired also. This info was adjusted from and based on our last Caravan schedule as a starting point. Also, if you have any pertinent information regarding other clubs, please contact Patty Schiller. An updated schedule will be sent out early September. Thanks for your patience.
